Claims should be made promptly in writing on receipt of stock. Plants become your property upon delivery to transportation company and we cannot be responsible for loss, damage, or delay in transit. All orders booked are based on the distinct understanding that the purchaser agrees to the condition of sales as stated above.

GUARANTEE OF GENUINENESS: We will send out healthy, thrifty stock, true to name. If any nursery stock proves untrue to description or variety name under which it is sold, we hold ourselves in readiness on proper proof, to replace free of charge such stock that may prove untrue to description or name, or refund the original amount paid. We shall in no case be liable for any sum greater than the amount originally received for said stock.

Orders are always individually filled with fresh dug stock. Our customers appreciate the fact that we do not ship them stock that has dried out in the storage house.
